Class Will of '71

We, the 1971 graduating class of Dover High School, being of questionable mind and fatigued body, do so declare this to be our last will and testament.

- To Mr. Anshutz, we leave a new school board and a Smith and Wesson revolver with one bullet.
- To Mr. Tucker, we leave one ten gallon hat and a pair of elevated shoes.
- To Mr. Gerboth, we leave six volumes of Pallack jokes.
- To Mr. and Mrs. Lange, we leave a full length portrait of Governor Robert Docking and an invitation to the governors mansion.
- To Steve Mercer, our bus maintenance man, we leave seven volumes on the fundamentals of mechanics.
- To Mr. Bracken, we leave the memories of a very devoted and hard working track team.
- To Mr. Salem, we leave one set of well used bongo drums and a new stick.
- To Mr. Rhoades, we leave a book entitled, "How to Teach School Without Really Trying."
- To Mr. Michaels, we leave a keg of '01 Ragweed pipe tobacco.
- To Mr. Weems, we leave one brass cuspidor.
- To Mr. Zimmerman, we leave a Kansas map, without the county line on it.
- To Karen Thomas, we leave one pair of micro-mini hot pants.
- To Mr. Tijerina, we leave ten gallons of refried beans and two tickets to Tijuana, Mexico.

I, BRAD METZLER, leave my '68 Ford Torino to anyone who can get it started, or if they can get the windshield wipers, lights, or radio to work, they can have it.

I, WAYNE LUKERT, leave my ability to play chess to Mr. Rhoades and my ability to play basketball to Dennis Miller.

I, GALEN WRIGHT, leave all my loves but one to that lucky devil Tim Dunagan.

I, NANCY HEPWORTH, leave whatever I have, if I have anything, to whoever needs whatever I have, and can do anything with whatever this thing is, that I have.

I, D. BLODGETT, leave my ability to catch opossums to Dennis Miller.

I, PATRICK HORTON, leave all my innocence, plus an overnight ticket to Kansas City to Mr. Rhoades, and my '49 International to anybody who likes to drag.

I, KEITH LOGAN, leave my driving ability to Mike Snook.

I, LESLIE ZIMMERMAN, just plain leave.

Class Prophecy of '71

SALESMANS REPORT FOR THE WISHY-WASHY SHOE POLISH COMPANY OF WALLA-WALLA, WASHINGTON April 23, 1991.

Dear Sirs: This letter is in regard to my rather large expense account for the month of April. I was in the Topeka area peddling our fine product when I suddenly recalled that my old home town was nearby. So I drove out to Dover, Kansas. The old place sure has changed. I checked into the Dover Hilton Hotel, right across the street from the T. Scott Shopping Center and Mall. Having a few hours of daylight left, I decided to attempt to sell some of our glorious shoe polish. The first house I came to looked like something out of the Arabian Nights! It probably belonged to some Turkish Sultan. I knocked on the door and it was answered by none other than Sgt. BRAD "BEAU GESTE" METZLER of the Fighting French Foreign Legion. "Brad!" I exclaimed, "What are you doing here and how can you afford this place since a sergeant in the Fighting French Foreign Legion only makes \$47 a month?" "It helps when you marry the daughter of some oil-rich sultan," he said.

Well, I decided to return to my hotel. I was crossing the street when I stepped on a pile of old ragged clothes. To my surprise, the clothes sat up. In them was a haggard old man that needed Scope and smelled like 90 Proof. "Aren't you GALEN WRIGHT" I cried. "The one voted most likely to succeed by the Class of '71?" "I most certainly am," he replied, as he lay back down in the gutter. This was too much for me. I then sought refuge in the local night club "The Whirling Derby." To my surprise, the owner and manager was none other than NANCY HEPWORTH. I don't remember what happened after that, but I do know that the next day was Sunday. I then went to church. The old Dover Federated Church is long gone and is now replaced by a glass and steel superstructure called the Dover Modern Church of Revelation and Recent Happenings. After a stirring sermon from the Honorable Right Reverend D. BLODGETT, I decided to visit the Dover Nursing Home. I asked for directions from a dog-catcher who turned out to be KEITH LOGAN. When I reached the nursing home I saw a shrivled up old man sitting on the porch babbling to himself. The nurse said he was PAT HORTON. I guess that's what happens when you live a riotous life.

On the way back I passed the magnificent Lake Dover. Spotting the marina, I gazed upon a gold plated super-yacht tied up at the pier. I walked over to it and discovered that the owner and captain was LESLIE ZIMMERMAN, the Aristotle Onnasis of the United States. After a nice visit with Leslie, I returned to my hotel and prepared for a week of fine salesmanship.

Your Loyal Salesman,
WAYNE LUKERT

P. S. Enclosed is my expense account for hotel, steak and lobster dinners, champagne, and caviar.

At Midnight following graduation, seven seniors and four sponsors departed on the last senior trip for Dover High School. First stop was Six Flags over Texas, where we spent one night at the Holiday Inn of Arlington. The next morning, we journeyed on to the Houston area, where we toured the Astrodome. We left Houston and moved southward spending four nights on Galveston Island at the Flagship Hotel. From there, we went to New Orleans, where we spent three nights at the Sheraton-Charles Hotel, while touring the French Quarter. We left New Orleans for home after the eighth day, spending one night in Little Rock Arkansas before coming through the Ozark Mountains. Our sponsors were Mr. and Mrs. Glenn Lange and Mr. and Mrs. Armond Lange.

1971 Homecoming Royalty

The Tiger Homecoming was made complete with a 26-12 victory over Mayetta. The Royalty were crowned at half-time amid much "Pomp and Circumstance" as the Royalty of past Dover High Homecomings were honored. As it was Dover High's last Homecoming, all classes worked hard to make it Dover's best.

The 1971 Homecoming was one to look back upon as "different". The float that the candidates rode on was powered by two Belgian horses, Bucky and Clifford. Most of the past queens of Dover High School were present and recognized that evening. It was truly a different kind of Homecoming.

The Dover Tigers finished out their 1971 football season with a 5-2-1 record losing only to the state bound Paxico team. This marked the second successful season for Coach Bracken who led the Tigers to a 12-4-1 record over two seasons. The Tigers finished the season ranked eighth in the state in 8-man football.

Friday night, February 19, 1971, saw the crowning of the last King and Queen of Courts at Dover High School. The evening was a complete success as the mighty Tigers defeated Mayetta, 61-42, in the last regular season game at Dover. Kelli Horton was crowned queen and Kenneth Mitchell king, during the halftime ceremonies. Penny Green and Galen Wright were first attendants and Connie Thomas and Dennis Miller were second attendants. Crown and flower bearers were Lynn Rutledge and Danny Horton. After the game the Student Council sponsored a dance with "The Summer Snow" providing the music. We want to extend our sincere appreciation to Mary Maude Weeks for the beautiful flowers and crowns.

Volleyball . . .

The Grade School girls have had a rather illustrious volley ball season in the past three years. Led by Coach Bill Eddy, the girls have lost only one game during this three year span. Coach Eddy says that volley ball practice starts at the first of the year and emphasis is put on a strong serve and tough defense. The girls are also trained in working the net for a quick offensive position.

This year, the Dover girls claimed seven victories in regular season play. They lost their only game in three years during the tournament, but battled back out of the losers bracket to place first in the district volley ball tourney.

MEMORABILIA

(A RECORD OF THINGS WORTHY OF REMEMBRANCE)

Now we come to that time of Man when all things must come to an end. Still, a Man must have some things to remember when all is done. So be it here. The Staff of the '71 Tiger have pieced together a chronicle of events and the classes of Dover High School. This way a Man can truly see that this is not the end, rather, only the beginning.

History

The first high school at Dover was in the 1880's. The teacher was the son of General J. C. Caldwell. Classes were held in the frame Congregational Church. Only a few of the names are known. They are John Tomson, Carrie Loomis, Harry Aldrich, Hattie Bassett, and Harris Bassett.

The second high school in Dover was held at the new frame grade school erected in 1913. The teacher was George Dodds.

Our present high school was started in 1920, with A. J. Bassett as the only teacher. Elsie Paulsen was a teacher the second year, and Lenore Lowry, Hildred Ross, and Hazel Smith being early teachers also.

A group of parents and public spirited residents in the community felt a high school should be available to all the grade school graduates who wished to attend high school. but were unable to go to Topeka.

Before the new brick high school was built in 1924-1925, high school was held in the same frame Congregational Church as in the 1880's because the new Federated Church was meeting in the old Baptist building. While in the school then, the students were involved in two sports, Basketball and Volleyball.

Mr. John Voss did the excavation work for the basement of the original portion of our present school using farm work horses. There was no electricity in the new school building at first, so, lanterns had to be borrowed for any school activity in the evening.

In the Fall of 1925, the first Mannual Training class was started. Their class was held in our present boiler room. They made their own cupboards for their tools. In this same year the boys started playing Football and Baseball.

In the Fall of 1934, the gym of the present school was built. The stone music and shop building was built in 1938, and the new addition of the school was added on in 1958.

We are grateful to those who have contributed pictures and valuable information to assist us in compiling this history for our annual. Among those we would like to thank are: Mrs. Vey Spaulding (from her book, DOVER- THEN AND NOW), Mr. Charles Todd, and Mr. Floyd Voss.

A Brief History of Dover, Kansas

Dover was established on the banks of Mission Creek, sixteen miles southwest of Topeka, Kansas, in 1870. The name Dover, was derived from the fact that the first two families to settle here came from near Dover, England and from Dover, New Hampshire.

Dover, at some time in its past has had; two grist mills, three cheese factories, a match factory, a wagon making business, two blacksmiths, three garages, two cream stations, two hardware stores, a post office, five places where gasoline could be purchased, three grocery stores, a bank, a barber shop, a business school, an undertaker, a dentist, a doctor, a drug store, a hotel, two restaurants, telephone office, and three churches. So one can see, Dover was in the past, a thriving little community.

Today, business in the Dover area has dwindled to where we are left with one grocery store, a gas station, a post office, and a church. We still have a grade and high school, although the high school will consolidate in the fall of 1971.

The Dover State Bank was organized in 1905 under the direction of Charles Curtis (later Vice-President of the United States) and M. A. Lowe. In 1930, the Dover State Bank merged with the Guaranty Bank at Topeka.

In 1895, final approval was given for the erection of a cheese factory on the east edge of Dover. The factory was later converted to a house and is now owned by Eldon Thomas. Also, another cheese factory was operated on the site now owned by Doran Snook.

The first general store was established in 1872, but was all but wiped out by the grasshopper scourge in 1874 and 1875. Several stores were built and operated through the years, but only one has survived. In 1930, Thomas G. Scott bought the store in the I.O.O.F. building and still is operating it at this time.

Other business in the Dover area today includes the Dover Oil Company owned and operated by Albert Randall and Steven Mercer.

A charter for the American Legion at Dover was received in 1947. They met in the hall now called the Odd Fellows Hall. Formally it was called Somerset Hall, from the town of Somersetshire, England.

The first church in Dover was the Baptist Church, built in 1867 on the land now owned by Ethel Reed. In 1872, the Methodist's erected a church on the land now owned by Vin Dudney. In 1874, a group of Congregational ministers met and decided to erect another church. It was called "The First Congregational Church of Mission Creek Valley," and was located where the present day Dover Federated Church stands.

In 1920, the Methodists and the Congregationalists decided to combine their churches, because after the first world war, the high cost of living made it difficult to maintain three churches. They formed the present Dover Federated Church.

The first grade school was a one room log cabin built in 1865 and had an attendance of twelve students. The next school was a stone building which in 1913 was condemned and a new two room frame school was built. Then in 1951, the present day school house was erected.

The first high school classes at Dover were held in the old frame Congregational Church during the 1880's. The next high school was a frame building erected in 1913, which is now owned by Harold Miller. In 1920, the present high school was built. In the fall of 1971, Dover will consolidate with Eskridge and Harveyville in the new Mission Valley High School, now under construction between the three communities.

Just as it started out, Dover is still a small farming community southwest of Topeka. We still have the rich loam fields along Mission Creek and just as they were a century ago, the main crops are wheat, oats, corn, milo, and alfalfa. In the fall, the autumn leaves still decorate the landscape in a scheme of reds, yellows, golds, and browns. I hope, that a hundred years from now, kids will still be able to see this country with its natural beauty as it exists now, and not have to look in books and say, "it must have been beautiful then."

SALADMASTER

SO WONDERFUL ... THAT GIRLS
CHOOSE SALADMASTER FIRST ... THEN
SEEK DREAM MAN.

Fine things ... that's what girls fancies, dreams,
and longings are made of-as well as of men. Pre-
requisite of marriage is fine cookware-Saladmaster
cookware. Made of miracle 18-8 gauge stainless
steel; 3-ply construction for even, maximum heat
conduction, and mirrorlike finish. Waterless
lowheat cooking, of course!
